

**2nd Annual
Les Mai Memorial provides
scholarships for Grace
students!**

In the inaugural year of the Les Mai Memorial Golf Tournament, over \$12,000 in scholarships were given to students attending Grace Lutheran School.

Grace Lutheran School is the top-ranked junior high school in Idaho! The elementary is ranked 2nd, according to Idaho standardized testing. But finding the funds for this excellent Christian education can be a challenge.

It is the Mai family's hope that every student who wishes to receive this education could receive it -- regardless of their ability to pay. That goal is still a ways off, but this is the way we begin that journey to providing the best possible Christian education to every family who desires it.

Many thanks to Mr. Potato Dude, whose generosity has helped make this tournament a success, and has made it possible for students to attend Grace.

Our Goal: \$20,000!
